

```
public class IndvChar
{
    public static void main(String[] args)
    {
        String s= "CHARACTERS IS THE BEST ";

        for(int i=0;i<s.length();i++)
        {
            if(s.charAt(i)!=' ')
                System.out.println(s.charAt(i));
        }
    }
}
```
